Dear Ones:

Again we have seen the close of another year of broadcasting and publishing the gospel. To all who have helped to make this possible, we are indeed grateful. Only eternity will reveal the results of the seed which has been sown. We sincerely hope that much of it has fallen into good ground.

And now as you look back over the past issues of THE MISSION TRAIL may you receive added comfort and strength to face up to the obligations and responsibilities of the new year.

"Thanks be unto God" and each one who has helped to make this work of faith possible.

Yours in Christ,
